## SJMA New Junior Application & Commitment 2016-17

SJMA is committed to support children through multiple years of a high quality, creative and joyful music education. We provide them a safe, fun, challenging and aspiring place to reach their highest potential. We emphasize passion before refinement. We facilitate a music education that expresses joy and pursues excellence. Our orchestras and choirs are places of cooperative learning that encourage a shared struggle towards the common goal of harmony. Group achievement is balanced with individual attention. To grow in their accomplishments each child, through your support, must make a firm commitment, which requires regular attendance and hard work.

To build an accomplished orchestra and choir requires many years of musical development. Our **Junior program runs from Grades 1-4 requiring 2 days per week** attendance, and enrolment is year to year. Our Senior Program starts in Grade 5 and runs until Grade 12, two days per week. After their first full trail year in the Senior program students are asked to make a multi-year commitment as follows: **Grades 5-7: Intermediate Program** (3 year commitment program), **Grades 8-10: Senior Program I** (3 year commitment program with high-school tutoring support), **Grades 11-12: Senior Program II** (2 year commitment program with high-school tutoring support)

Our program runs from September through June with the option of a one week summer music camp in August for existing students. If you and your child are ready to make this commitment please complete the following bursary application. Once we have confirmed that your child meets our criteria we will call you to set up an interview.

If selected, your child will receive a bursary to cover the costs of an instrument, lessons, transportation and meals while attending the program. This is valued at \$3,000 per child per year.

Sincerely,

Kathryn Walker  
Executive Director

# **Parents and Guardian Agreements:**

## **1. Agreement of Commitment**

The SJMA is an intensive program that aims to offer high-quality classical musical education; in order for this to be successful, we expect a students to demonstrate regular attendance to all classes in which he/she is registered, including both mandatory classes and electives if chosen, and the Christmas and Spring Recitals, in early December and early June respectively. This means that the student will not participate in any school-related or extracurricular activities (such as sports, school clubs, tutoring) that may interfere with their ability to attend SJMA unless having received prior approval from the Academy. If the student is forced to be absent by unavoidable circumstances – sickness, appointments, family events, vacations – families must give the SJMA at least 24 hours notice. We operate on a three-strike system, wherein three unexplained absences will result in a meeting between the family and SJMA to discuss the student’s continued enrolment in the music program. I hereby agree to the expectations surrounding attendance and absences that is required by the SJMA.

## **2. Parent Volunteering**

All parents/guardians of students are expected to contribute to the quality of the SJMA’s programming through volunteering. We strongly believe that parent involvement in the Academy is an important factor in the success of our students. In the past, parents have taken on a variety of volunteer positions, including assisting with the Walking School Bus – if your child attends Strathcona Elementary and participates in the Walking School Bus, parents/guardians are expected to help out at least once a week; volunteering during special events (ie. recitals); a regular volunteering shift (ie. assisting with music classes if you have music experience, with the Snack and Nutrition Program); and translation.

Are you able to volunteer at the Saint James Music Academy?

- Yes. You will be contacted at a later date to discuss volunteering options.
- No. If you are unable to volunteer, please explain why:

For parents/guardians with children attending Strathcona Elementary, does your child intend to participate in the Walking School Bus?             Yes             No

If so, are you able to assist with the Walking School Bus at least once a week (Mondays to Thursdays, 3pm at Strathcona Elementary)?             Yes             No

I hereby agree to the SJMA’s parent/guardian volunteering expectations and understand that an inability to volunteer may impact my student’s enrolment in its programs.

## **3. Media Release**

In order to share what we do with those who support us, we need your permission to use your child’s photo, video footage and/or interview. I hereby give authorization to the Saint James Music Academy and their partner organizations the right and permission to photograph, film, and record me, my child(ren) and use and

reuse my/their picture, video, interview and likeness, in whole or in part, individually or in conjunction with visual, audio or written material in any medium (including newsletter, and web). I hereby release and discharge both parties from any and all claims and demands.

**4. Indemnity and Release of Liability**

I, HEREBY REMISE, RELEASE, AND FOREVER DISCHARGE The Saint James Music Academy, it's employees or agents, and volunteers of and from all manner of actions, causes of actions, claims and demands of whatsoever nature which my child may have in respect of any injury, loss or expense he/she may sustain arising out of or in any way connected with his/her participation in the activities of the Saint James Music Academy or while being transported to and from the Academy or special events.

**5. Accessing VSB Student File**

In order for our program to better support the needs of your child, we will be seeking permission from VSB schools to access your child's student file. I, Hereby give the Saint James Music Academy permission to access to my child's VSB student file.
