	Saint James Music Academy 14th Annual Christmas Concert Friday, December 18, 2020				
	Dear SJMA Friends and Family Welcome to our 14th annual SJMA concert, and one that has such special meaning to us this year that we've decided to give it its own theme: The Christmas Quilt. That's just how we see our success this year; like a great patchwork of challenges and changes, of children and adults coming together to lend an extra hand, and to our delight, of a new creativity emerging there. Something beautiful has been created. Enjoy it now, and while you do, remember that you have helped make this success possible. We thank all of you for being that 'extra hand' while we forge ahead with our vision of a richer and fuller life for the kids, and for us all. May your season be joyous and complete, full of music, laughter and love, in your homes, in your heart, and in our community.
